Spring 2020

Woodscape Glen Community Garden

It is time to assign garden spots for the Community Garden this year. We are looking for a volunteer Garden Coordinator who will be guaranteed a spot in the garden. The Garden Coordinator will oversee the garden and communicate with Wildwood staff on behalf of the gardeners. The rest of the plots will be assigned by lottery, if we receive more requests than there are plots.

Please contact Sam at the office if you would like to volunteer your time as Garden Coordinator or if you are interested in obtaining a plot this year. The deadline to submit your request is April 15th. Plots will be assigned on April 17th.

Maintenance Update:

It is April and that means it is time to remove the hose bibs from the homes and open the vents. Expect to see Carlos and his crew around the houses taking care of these items during the month.

From Honoring Our Rivers

MIRRORS

Through the mirror,
you see a person
immersed in a beautiful
song –

of the wind and the
larks singing a chorus
that flies over the
meadows,

of the sparrows and the
river echoing back
through the trees,

of your own feet
padding on the ground
falling into soft earth,
and then the river.

The greatest orchestra
you have heard, falling
through the icy water
and rising above the
clouds,

singing of growth and
of life, of sadness and
death, of the energy
within us all.

Reminders:

Bird Feeders must be approved by Wildwood Management. Feeders must be reviewed for spillage and prevention of squirrel access before approval.

Also, a friendly reminder that feeding the squirrels is not allowed in the Woodscape Glen community. While they may be cute to look at, they can do a lot of damage to the townhouses.

Thank you for your understanding and cooperation.

Neighbor Volunteers:

One of your neighbors (a Woodscape Glen resident), who is a trained peer counselor, has volunteered her services during these uncertain times. She is available to assist one-on-one if someone is feeling anxious about the current pandemic and what the future holds. She has also volunteered to help those who are unable to get out of the house to go pick up necessities (such as medications). Another wonderful neighbor has also volunteered to go out and pick up groceries if you could use that assistance.

If you feel like you could use some help - please call/email the office and I will give you a name and cell phone number so you can contact these kind people directly.

Resident Referral Incentive

Life is so much more enjoyable when you live next door to a friend. That is why we like to reward you for bringing your friends, family, or co-workers to Woodscape Glen!

Limitations do apply. You must notify us of your referral before your friend's move-in date or have the applicant state their referral on their rental application. Contact Deb in our office for more information.
