Neighbors Helping Neighbors in the Community!

What an Ice Storm that was! We would like to thank the Woodscape Glen Community for their patience during the clean-up from this destructive storm. We want to especially thank those in the community who helped their neighbors during this difficult situation. We love to see instances where the community comes together to help one another.

Maintenance Update:

During the month of April, we will be removing the hose bibs from the homes and opening the vents. Expect to see the grounds crew around the houses taking care of these items throughout the month.

Also, remember – Work orders should be submitted to our office through the electronic Maintenance Form found on our website at www.woodscapeglen.com. At the top of the page, you will need to click on “Current Residents”, and then scroll down to the bottom of the page where you will find the maintenance form. Once submitted it will go to our entire team and you will see a message saying the request has been submitted.

Woodscape Glen Community Garden

It is time to assign garden spots for the Community Garden this year. We are looking for a volunteer Garden Coordinator who will be guaranteed a spot in the garden. The Garden Coordinator will oversee the garden and communicate with Wildwood staff on behalf of the gardeners. The rest of the plots will be assigned by lottery, if we receive more requests than there are plots.

Please contact Sam at the office if you would like to volunteer your time as Garden Coordinator or if you are interested in obtaining a plot this year. The deadline to submit your request is April 16th. Plots will be assigned on April 19th.

MAHONIA VINEYARD

Don't forget to call the office to order some Mahonia wines for your Easter celebration. Our Estate Pinot Noir and Estate Rosé pair really well with a smoked or baked ham Easter dinner.
