Tips to Conserving Water in the Kitchen & Laundry

- *Keep your drinking water in the refrigerator instead of letting the faucet run until the water is cold.
- *Wash fruits and vegetables in a basin and use a vegetable brush.
- *Instead of using water to defrost frozen foods, thaw them in the refrigerator overnight.
- *Use a dishpan for washing and rinsing dishes.
- *Compost food waste instead of using the garbage disposal.
- *Operate the dishwasher only when completely full.
- *Use the appropriate water level/load size on the washing machine.

Fireworks will not be allowed in the Woodscape Community this year.

Fireworks combined with excessive heat are a recipe for disaster. The number of communities banning fireworks is growing by the day due to the dry fuels and persistent heat we have been experiencing.

Thank you for helping to keep our community safe!

Watermelon Feta Salad

You only need four ingredients to make this refreshing salad! You can also add a drizzle of balsamic vinegar or balsamic glaze, but that is optional. The salad is good with or without it!

- * 1/2 red onion, sliced
- * 1/2 cup feta cheese, crumbled
- * 1/3 cup fresh mint leaves, chopped or torn
- * Balsamic vinegar or balsamic glaze, optional

Directions:

1. In a large bowl combined watermelon, red onion slices, crumbled feta cheese and fresh mint. If adding balsamic vinegar or glaze, add right before serving.

FIRE EXTINGUISHERS

Years ago, we installed 13 fire extinguishers throughout the Woodscape Glen community. The cabinets are mounted on the front of selected buildings, as determined by the fire marshal.

If you have a fire, call 911 before you retrieve the extinguisher. If you need to use one of them, you will need to break the clear plastic covering with the attached hammer. Once you are ready to use the extinguisher, remember to pull the pin, aim the nozzle, squeeze the lever, and sweep the flames.

After the fire department arrives (or after the fire is extinguished) please call the Wildwood office at 503-585-8789 to report the fire, or after hours, call Maintenance at 503-602-2078.

MAHONIA VINEYARD

Don't forget to call the office to order some Mahonia wines for the Summer. Our Estate Chardonnay, Pinot Noir, Rosé and Pinot Gris pair wonderfully with the tastes of the season, including backyard barbeques and family get-togethers. 503-585-8789
