Christmas Tree Removal

Christmas trees cannot be left in driveways or along the landscaping in the community. Our groundskeepers cannot place them, or any other plant material, in their trailer due to the potential pest issues that could be spread to our native plant nursery. Please take your trees to an appropriate recycler.

Prevent Freezing Pipes During Cold Winter Months

As you know, it's important to protect the pipes in your home. Please leave the cupboard doors open under your sinks to allow warm air inside the cabinets around your plumbing – especially those on outside walls. For sinks/tubs on exterior walls, allow the faucets to drip overnight (and during the day if you are going to be away from home) to keep water moving through the pipes. Please remember to notify the office if you will be leaving town and don't turn off your heat. To prevent freezing pipes, your heat should be set at 55 degrees or above.

MAHONIA VINEYARD

Don't forget to call the office to order some Mahonia wines for your Fall festivities. Our Estate Chardonnay, Pinot Noir, Rosé and Pinot Gris pair wonderfully with the tastes of the season.

Resident Referral Incentive

Life is so much more enjoyable when you live next door to a friend. That is why we like to reward you for bringing your friends, family, or co-workers to Woodscape Glen!

Limitations do apply. You must notify us of your referral before your friend's move-in date or have the applicant state their referral on their rental application. Contact Deb in our office for more information.
